What does a carpenter know about fishing? What if he designed the fish themselves? When Jesus told Peter about fishing, the potential for resentment was real. As Peter obeyed, he discovered God's greater plan for his life. What does God know about our lives? What if he created us according to his design? In discipleship we leave lesser things for the treasure of relationship with Jesus. Nobody knows us better than he does. Nobody loves us more than he does. Welcome to worship with Tallowood!

Evening Worship at 6:00 PM. Duane Brooks will preach.

Prayer request cards will be available in all worship services. Baskets will be located in the Narthex and at the rear exits to the Worship Center for collecting the cards. Tallowood staff will be in prayer over these requests on Tuesday, February 12.
