

BACK TO CHURCH!

Since March, we have gone to church at home.

We have prayed to God at home.

We have read the Bible at home.

We have sung songs to God at home.

We knew, some day, we would come BACK TO CHURCH.

And now, there is GOOD NEWS!

TA DAH!!!

We can come BACK TO CHURCH!

Some things will be a little different.

We will all meet in one class together.

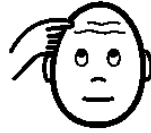

Mr. Phillip and Ms. Nicole will be our teachers.

We will wash our hands or use hand sanitizer many times while we are together.

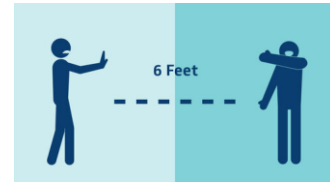

But it will be good to come **BACK TO CHURCH!**

Here is what you need to know to come BACK TO CHURCH!

Here are the rules.

Wear your mask.

Wash your hands.

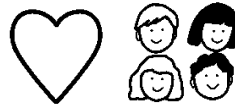

Give AIR High Fives to your friends and teachers.

Talk to everyone, but stay at a distance.

And never forget: These are the best rules!

Love God.

Love others.

Live to make God smile!

It is good to be BACK TO CHURCH!

Some day, the virus will be gone.

Some day, we can shake hands again.

Some day, we can sit close together again.

Some day, we will not have to wear masks!

I can't wait for *SOME DAY* to get here!

Until then, it is good to be BACK TO CHURCH!
